CHANGES TO BY-LAWS

There were three changes made to our by-laws during the Annual Meeting at Reddington Beach. The changes concerned three separate subjects.

First, provision was made to accept affiliated organizations outside the limits of the United States of America. The affiliated organizations will pay a fee of $25.00 per year. There is one organization affiliated with the American Hibiscus Society at present. The Australian Hibiscus Society has paid their dues and are now affiliated with us. Welcome to the family.

Second, elected directors may only serve one full three year term. They must be inactive as directors for a one year waiting period before they are eligible for re-election to the office of director. A person may fill out part of an unexpired term by appointment and then be elected to a full term of his own.

Third, provision was made for a paid life membership. The fee was set at $75.00 for a double membership and $50.00 for a single membership. The chapters do not participate in this fee. We also have our first paid life membership under the new provision. Mr. & Mrs. Bill Whitman of the Sunrise Chapter are our first paid Life Members. Bill gave this to his wife since it was her birthday when the provision was voted in.

We were told by Mr. Eric Golby that some place in the past there was a paid life membership in the by-laws. We could find nothing in the current set to cover this item. The by-laws were re-written in the early 60's without this provision.

If any of our members would like a copy of the current by-laws drop the Executive Secretary a note and he will send a copy. Give him a little time to get the changes worked in, however.
